

David was everything we could have asked for in a DJ for our wedding! From the pre-planning meetings, to helpful suggestions on wedding dance songs, to being 110% attentive to what WE wanted for our special day! His sound system and light show were awesome and everyone had a blast dancing up a storm! Don't want a certain song or artist played? No worries there! David *listens* to you and creates a playlist just for you on your day – and he doesn't lose his patience if you have last minute changes, he just makes it happen! I would recommend David to anyone needing a DJ for their wedding or any other event they have in mind. I recommend him to everyone I know. He is the epitome of professionalism and he actually *cares* that your event is perfect just for you!

Thank you, David, for being the very best DJ we could have asked for!
