To Whom It May Concern:

I am very happy to write this letter of recommendation in behalf of David Ward. As Director of Fine Arts for the Springtown ISD and also as Minister of Music for First Baptist Church of Springtown, I have used David as my sound technician consistently for the past several years. He does worship services for us at FBC as well as special programs. He has also done many important concerts and programs for Springtown ISD, including the Broadway production of "Wizard of Oz" this past year.

David is definitely a professional in every sense of the word. He is an expert in his field and consistently studies and keeps up with the latest technologies in the area of sound. He is very dependable in that he does what he says he will do. He is always on time and I know I can put my complete trust in him. David is always concerned that each project or program has the highest quality sound product. He meets with his clients in advance and does a complete plan for the production. He does whatever is necessary to please the people he is working for.

I know you can depend on David for all your sound and even lighting technology needs. I give him the highest level of recommendation and I hope you will consider him for your next project.

Sincerely,

J. B. Perry
