David Ward, Audio Arts, has provided the Chamber with some of the best audio services we have had. The Chamber has used Audio Arts services at our Annual Award Banquet and various other Chamber functions through the year. The company has presented some of the best music and entertainment for our beauty pageants.

One of the reasons we choose Audio Arts is for the expert and professional handling of our musical/audio needs. When Audio Arts shows up to do a job for us, we never worry that it will be handled with the best of care. We are presented with a variety of choices for music and those times when we just didn't know what we wanted or needed, David did!

We appreciate Audio Arts and the services provided.

Sincerely,

Oleta Parker

Executive Director
